One liner about your business/product:

NEAR Protocol is a decentralized application (dApp) platform and Ethereum competitor that focuses on developer and user-friendliness. Its native NEAR tokens are used to pay for transaction fees and storage on the Near crypto platform. We're running an event to match crypto projects with marketers called Generation Crypto.

Join The Generation Crypto Event.

In short, where we could use your help (scope):

We need more agencies participating! If you refer a winning marketer or agency, you will win a 10% bonus on top of their contract.
